Mohamed Saleh

Front End Developer (React Js)
Asyut, Egypt

Summary

Welcome. I am Mohamed Saleh, I graduated from the Higher Institute for Advanced Studies | Department of Management Information Systems | I am a developer specialized in the area of Frontend , I have worked on many projects. I use effective technologies and standards which guarantee a quality product. I am seeking a front end job to use my coding skills, troubleshoot complex problems, and help complete projects in a timely manner. I have experience in HTML, CSS, JAVA SCRIPT and am working on developing my skills. Enthusiastic and self-taught, willing to learn and develop in the best possible way in new technologies, assuming challenges that allow me to develop professionally, always responsible and committed to my duty.
